Instructions for Form 807, Michigan Composite Individual Income Tax Return

Filing a Return

A flow-through entity, defined as partnerships, S corporations, limited partnerships, limited liability companies, or limited liability partnerships, that does business in Michigan and has two or more nonresident partners, shareholders or other types of members may file this return. The entity (firm) and participating members must agree to comply with the Michigan Department of Treasury (Treasury) rules described below.

Participation Requirements

A member may not participate in this composite return in any of the following cases:

- If member is claiming a city income tax credit, public contribution credit, community foundation credit, homeless shelter/food bank credit, Michigan Historic Preservation Tax Credit, college tuition credit, or vehicle donation credit.
- If member was a Michigan resident (full-year or part-year).
- If member wishes to claim more than one Michigan exemption.

Due Date of Return

The composite return for any tax periods ending in 2008 is due April 15, 2009. The returns for any periods ending in 2009 will be due April 15, 2010.

If the firm cannot file by the due date, a request for an extension can be filed before the original due date. See "Requesting an Extension" on this page.

Withholding Tax Payments

Composite filers are required to make withholding tax payments on behalf of all nonresident members (both participating and nonparticipating). The payment of withholding is due quarterly on April 20, July 20, and October 20 of the taxable year and January 20 of the succeeding year. The payment of withholding taxes is remitted on the payment voucher **Form 160, Combined Return for Michigan Taxes**. If you choose to have the overpayment from the composite return transferred to your withholding account, you still have the obligation to file the quarterly returns. If the full liability has been met, you must file the returns with "0" tax due. A flow-through entity which paid in the immediately preceding calendar year an average of \$40,000 or more per month in income tax withholding on the combined share of income available for distribution and employee wages shall deposit the

Michigan tax withheld at the same time and in the same manner as deposits of federal withholding taxes. This will require an electronic funds transfer in accordance with the time frames provided in the Internal Revenue Code (IRC) and may be due as soon as the day after withholding.

Requesting an Extension

The firm may request an extension of time to file by sending payment of the estimated annual liability to Treasury with a copy of an approved federal extension. Any extension allowed by the Internal Revenue Service for filing the firm's federal return automatically extends the due date of the composite return to the same extended due date. **An extension of time to file is NOT an extension of time to pay.**

If the firm does not apply for a federal extension, request an *Application for Extension of Time to File Michigan Tax Returns* (Form 4). When completing the extension form, check "Fiduciary Tax (includes Composite Filers)" in box 1, and use the firm's name and Federal Employer Identification Number (FEIN). Follow these special instructions to make sure your account is credited properly.

Payment of the estimated annual liability must be made with the extension application. When you file your composite return, attach a copy of your extension application to it.

Mailing Refunds, Assessments and Correspondence

By signing the *Michigan Composite Individual Income Tax Return* (Form 807), the signing partner or officer declares that the firm has power of attorney from each participant to file a composite return on his or her behalf. Treasury will mail refund checks, assessments and all correspondence to the firm at the address indicated on the return. The firm must agree to be responsible for the payment of any additional tax, interest and penalties as finally determined. Issues involving the tax liability reported on a composite return will be resolved with the firm. In unusual circumstances, Treasury may contact the participants.

Attachments

Attach the following items to the composite return:

- A copy of pages 1 - 4 of the U.S. Form 1065 or U.S. Form 1120S.

- A *Michigan Schedule of Apportionment* (Form MI-1040H).

- Two schedules (one for participants and one for nonparticipants) listing each partner's, shareholder's or member's name, address, Social Security Number (SSN) and respective share of Michigan income and/or loss. If the participating member is another flow-through entity, the schedule must include the entity's name, address, Federal Employer Identification Number (FEIN), and share of Michigan-sourced income, as well as a list of the names, addresses, SSNs and ownership percentages of that entity's nonresident partners or shareholders.
